Your love remains

D A Bm
I will praise you Lord
G A
Though my body cries out and my spirit fails
D A Bm
I will thank you Lord
G A D
Though I see no hope at all in sight

D A Bm
I will worship you
G A
Though the sky is dark and though the night is cold
D A Bm
I will call your name
G A D
When all hope is gone your hope remains

G D/F#
You are God and I am not
G /A Bm
So I will hold on to everything you are
Em/G D/A Bm
Your words they never fail
G A D
And your love still remains

D A Bm
You are all I need

You're the strength in me
G A D
Even when I'm trying on my own
