

Thief

D Gm6
Long and dusty road
D/A Gm6/B^b
Walked so long ago
D /C[#] Bm /A
Could you not have changed your course
G Em A
Refused that hill to go

D Gm6
Shameful cross now bare
D/A Gm6/B^b
Could you not have swayed
D /C[#] Bm /A
And saved the only Son of God
G A D
Who died my life to spare

D G Em A D
For how can I explain these scars upon my side
Bm /A G Em Asus A D
When all his life he gave that I may never die
D G Em A D
And how can I confess except were I to say
Bm /A G Em Asus A D
I am that thief upon the tree, I stole your life away

D Gm6
Angry grave of God
D/A Gm6/B^b
Hard and cold in death
D /C[#] Bm /A
Could you not have closed your mouth
G Em A
Refused my Lord to bear

D Gm6
Wicked world of mine
D/A Gm6/B^b
Was there no other way
D /C[#] Bm /A
To save a child of guilty hands
G A D
Than kill a sinner's friend
